Subject: Letter Of Recommendation

Hi Jim, I just wanted to say thank you for getting my place sold and helping me get back home where I really want to be. Honestly, after my first experience, I thought I was stuck and getting sold would never happen.

I just wanted to give you a letter of recommendation; please see below.

Letter Of Recommendation For Jim Bimstefer

It is with great pleasure to Recommend Jim Bimstefer "Jim Bim" as one of the number 1 top realtors anywhere! He is without a doubt, the best of the best. My house was on the market for over three months with another "top" Realtor and I had not gotten any interest or offers. Jim took over in early January 2016 and I had a firm offer by the end of January, less than 30 days! And then I closed on the sale 58 days later! That's record time, especially being that other homes in my neighborhood are not sell! During the process Jim kept informed of all comments of potential buyers coming through my home, provided recommendations on what to do to cause interest and an offer and kept me informed every step of the way.

If you want to sell your house and need a seasoned realtor that will advise and guide you through the process, Jim Bimstefer is the man! If he had not taken over the sale of my house I'd still be there vs living in my retirement home!
