Dear Jim,

We want to thank you for doing a wonderful job of selling my mother's house. Not only did you find a buyer much more quickly than I ever expected, but you made the entire process
(over)

so much calmer and more free of stress than any other home sale that we have ever been part of! The service that you and your wonderful assistant, Amy, provided made us feel very secure and comfortable.

Have a great summer!

All our best,
Janne + Daniel
