LinkedIn Recommendations

Len Pang has endorsed your work as Broker / Owner at Winning Edge Real Estate Services.

Dear James,
I've written this recommendation of your work to share with other LinkedIn users.

Details of the Recommendation: Loyalty, competence and service rarely work hand in hand."This is the second time I've use the services of Jim. I can't say how many real estate agents I went through before I found him. Jim is an expert among the sea of real estate agents out there; he really is a walking encyclopedia of real estate knowledge and more importantly, he is an expert in negotiations and he will get what you really want. I've sold a house with him in 2006 and he is the only agent I will ever use again. I'm currently using him again to search for another home in Howard County.

Len Pang (repeat client)"
