Dear Jim Bim,

I want to thank you for all of your help with selling my house. I am still beaming! After being on the market with another agent for 4 months with few showings and no offers I know that my home was not an easy sale. Although I thought it should have been considering the condition it was in. It was your honesty and steadfast approach to selling my home that FINALLY got it sold!! You helped me come up with a realistic sale price and a practical time frame in which to sell it. Contrary to the other agent, I had prior to you, you always returned my phone calls and emails within a reasonable amount of time.

I would gladly recommend you to anyone, but particularly for those people having issues with their agent and the selling of their home. You are extremely knowledgeable about the do's and don'ts of buying and selling homes. I know that is part of your job, but not everyone goes that extra mile, as you did for me. Therefore, you will be hearing from me soon ... when I am purchasing my next home!!!

Sincerely,
Carolyn Dismond
